Caterina Berry, Principal

April 11, 2017

Dear Parent / Guardian:

Thursday, April 27th is the nationally recognized Take Our Daughters and Sons to Work Day sponsored by the Take Our Daughters and Sons to Work Foundation. This event is an opportunity for girls and boys to learn about the world of work, the challenges their parents face, and how the schoolwork they do today will help them in their future. It is also a day designed to expand the future opportunities for our nations' daughters and sons, through exploring the competing challenges we face around work and family.

As part of our career education curriculum, we encourage you to take your child to work with you on this day. If your job does not allow for this, then possibly a relative or acquaintance may be working in an occupation that your child has an interest in. If your child does visit a workplace, the absence from school is excused as long as the permission slip below is turned in.

If you would like additional information regarding the program please visit www.daughtersandsonstowork.org. It is a very informative website providing parent, workplace, and student tips.

Your cooperation and participation is greatly appreciated.

Caterina Berry
Principal
