Caterina Berry, Principal

April 9, 2019

Dear Parents,

Thursday, April 25th is the nationally recognized **Take Our Daughters and Sons to Work Day** sponsored by the Take Our Daughters and Sons to Work Foundation. This event is an opportunity for girls and boys to learn about the world of work, the challenges their parents face, and how the schoolwork they do today will help them in their future. It is also a day designed to expand the future opportunities for our nation's daughters and sons, through exploring the competing challenges we face around work and family.

As part of our career education curriculum, we encourage you to take your child to work with you on this day. If your job does not allow for this, then possibly a relative or acquaintance may be working in an occupation in which your child has an interest. If your child does visit a workplace, **the absence from school is excused as long as the permission slip below is turned in.**

If you would like additional information regarding the program, please visit [www.daughtersandsonstowork.org](http://www.daughtersandsonstowork.org). It is a very informative website providing parent, workplace and student tips.

Your cooperation and participation is greatly appreciated.

Sincerely,

Mrs. Caterina Berry  
Principal
